

**OVAL DOOR PULL HANDLE — XSOPH2146 / SOPH2194 /
BRONZE, 1969 MOPH2193 / LOPH1048**

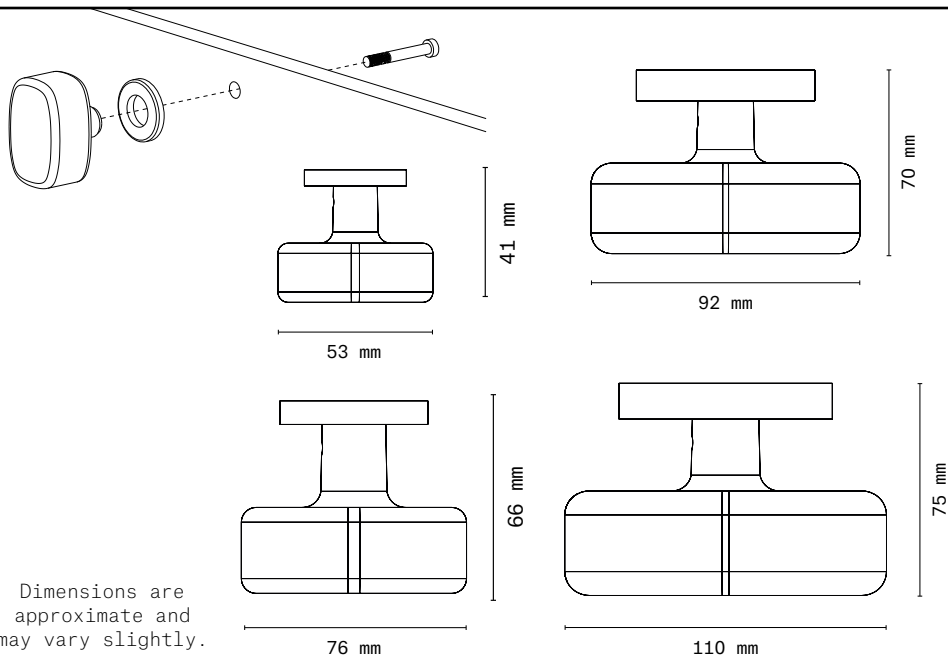

This small door handle was inspired by the shape of a pebblestone. The raw bronze is soft and smooth. It can be used outside by all weather and gets a beautiful patina with time. As the name suggests, it is the perfect replacement for the Oval Handle, in case movement is not needed.
